Due to graphic content and intense nature, haunted houses are not recommended for children under 12. Haunted houses are an additional fee and wristbands can be purchased at the front gate haunted attractions sales center and all gift shops. Descriptions for each attraction can be found on the inside of this guide. **NOTE:** For Columbus Day, haunted attractions will open one hour earlier than listed above.

## GHOUL RULES

A monster's job is to scare you — not the reverse. Guests who taunt, touch or yell at monsters or other guests will be ejected from the Park without a refund.

Do not touch or remove props, scenery, webbing or landscaping.

No masks or face coverings including hood with front zippers, costumes or full-face makeup for any guest over the age of 12. Guests will be required to remove such items for safety reasons.

## FRIGHT NOTES

Fright Fest shows are very popular so arrive at least 20 minutes early. Theater doors close promptly at show time with no further entrance.

Shows, midways and attractions may contain strobes, latex, fog and other effects.

Due to weather and other circumstances, shows may be canceled, delayed or changed without notice. Thank you for understanding.

Most monsters are too angry to pose with you. Look for a photo opportunity in each monster area.

**WARNING:** Strobe and atmospheric effects are in use throughout the park.

**WARNING!** All HELL breaks loose at 6 PM and we will show NO MERCY!
